CHARLES WOOD
10694 MEMPHIS ARLINGTON ROAD
ARLINGTON, TN 38002
(901) 867-3649

OBJECTIVE:

To achieve a higher-level management position that will utilize my skills of organizing, planning and directing of daily operations and various special projects required of the department.

PROFESSIONAL PROFILE:

Professional supervisory/management skills with over 40 years experience and excel in ability to manage personnel in order to meet project deadlines. Possess an extensive knowledge of budget planning and oriented for cost effective operations resulting in savings. Grew a family-owned business from \$225,000 to over \$5,000,000 annually. Demonstrates a thorough understanding of policies and procedures in conveying to staff to insure successful project completion in a timely manner.

SUMMARY OF QUALIFICATIONS:

Direct supervision of approximately 40 employees and indirect supervision of 35 employees, that is inclusive of all human resource/personnel duties from promotion recommendations to disciplinary action and termination of assigned personnel. Supervise and compile documents related to the Road Department Right-Of-Way Maintenance section within the limits of proposed budget and projected goals.

EXPERIENCE:

SHELBY COUNTY GOVERNMENT
Roads and Bridges

**2004-
Present** **Deputy Administrator**

Works under limited administrative direction in support of the administrator to assist in planning, directing, organizing and controlling the activities of the department. Confers and advises staff on administrative policies and procedures, technical problems, priorities and methods, and responsible for the direction of the function to insure that the activities assigned are completed in an effective manner. Review and evaluate management staff and prepares performance reports. Assist in directing a large department with a wide range of functional work activities which include high policy and cost impact. Supervise and coordinate the development of the department's budget. Contacts include Elected Officials, executives and administrative departments within and outside Shelby County Government.

Solid Waste, Landfill, Public Utilities and Litter Abatement

1998-2004 **Supervisor**

Responsible for the planning, organizing, budgeting and implementing of the Solid Waste Management Program to conform to the Tennessee Department of Environment and Conservation's standards as well as Shelby County's Solid Waste Reduction requirements.

Landfill maintenance including drainage requirements and vegetation control. During my tenure of this program Shelby County has continuously been the leader as Solid Waste Collection Agency throughout the State of Tennessee monthly and annually. Development and implementing an effective and efficient Litter/Solid Waste Collection Program for all Shelby County roads and Right-of-Ways. Investigate and resolve citizen complaints daily. Coordinate work with other county departments, municipalities, and agencies. Met all State and Federal EPA mandates in accordance with required drainage and sinking areas to prevent standing water problems on the topside of two landfills. Interpret engineering blueprint and drawings in order to meet above-mentioned mandates. Train, assist and evaluate work performance for all subordinate employees.

Arlington Oil Company

1972-1994 Owner

Owner of an oil jobbership that sold and distributed petroleum products and tires throughout five counties in West Tennessee. Inclusive were retail outlets, commercial, farm and industrial customers. Installation of petroleum tanks and related facilities such as asphalt, concrete and building construction. All were completed in accordance to specific drawings and blueprints furnished by Union Oil Company of California (76). Responsible for all aspects of management of family owned business growing from \$225,000 to over \$5,000,000 annually. Responsible for proper disposal of hazardous solid waste materials as mandated by State and Federal EPA guidelines.
